**ABOUT DIY NETWORK**

From the makers of *HGTV* and *Food Network*, *DIY Network* is the go-to destination for rip-up, knock-out home improvement television. DIY Network's programs and experts answer the most sought-after questions and offer creative projects for do-it-yourself enthusiasts. One of the fastest growing digital networks and currently in 50 million homes, DIY Network's programming covers a broad range of categories, including home improvement and landscaping. The network's award-winning Web site, [www.diynetwork.com](http://www.diynetwork.com), is a leader in the Nielsen/NetRatings' Home and Garden category. The site features broadband video channels including home improvement, crafts, automotive, gardening, and woodworking along with step-by-step instructions totaling more than 20,000 projects online.
