

## **TURF WAR**

**Ahmed Hassan**  
Licensed Landscape Contractor

**SHOW DESCRIPTION:** Neighbors battle to win \$5000 and the title of the best yard on the block by DIY Network's Ahmed Hassan. Two teams, each led by Ahmed's landscape experts, use the same batch of materials and the same time frame to transform their yards into spectacular outdoor spaces. Ahmed is there offering advice, constructively criticizing, and at times jumping in to help. In the end, Ahmed (with input from other neighbors) decides who got the better result, but viewers get to see two amazing transformations.
